The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return (AGAR) 2020/21

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2021.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, **you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2020) equals the balance brought forward in the current year (Box 1 of 2021).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2021**.

Section 3 – External Auditor's Report and Certificate 2020/21

In respect of

ENTER NAME OF AUTHORITY

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2020/21

(Except for the matters reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

3 External auditor certificate 2020/21

We certify/do not certify* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.

ANNUAL GOVERNANCE STATEMENT 2020/21

EXPLANATION FOR NO ANSWERS.

Question 2 - We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness. NO

Reason. Every year Bugbrooke Parish Council re-adopts all its policies at the meeting held in May – this includes the Financial Regulations and the Financial and Management Risk Assessment: In April 2020, when the Coronavirus pandemic was at the height of the first wave, the Parish Council reviewed advice from a number of sources and made a decision not to hold either the Annual Parish Meeting or the Annual Meeting of the Parish Council in May 2020. Thus, no policies were re-adopted, although no changes had been made since May 2019. One of the Councillors is also an internal auditor for other parish councils, but at no time did he bring to the attention of the Parish Council there was a need for these two finance related documents to be re-adopted. In all the chaos that ensued in the early Summer of 2020, the Clerk did not give any consideration to the possibility that there was any reason the council could not rely on the adoption of the policy that had taken place the previous year. In all other respects, every aspect of our system of internal control has been fully implemented, with all transactions being approved by the council, copies of the bank statements provided to all Councillors every month, and details of all payments and receipts provided at every meeting. The May meeting was the only one that was cancelled, all the others took place via zoom with public participation. At all times the safeguarding of public money and resources was paramount. Steps have been taken to ensure that if, in the future there is any similar event or series of events, affecting every country in the world with such devastating outcomes, the Financial Regulations and the Financial and Management Risk Assessment for Bugbrooke Parish Council will still be re-adopted each May.

Question 5. We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required. NO

Reason. As part of the adopted Financial Regulations and the Financial and Management Risk Assessment, the Parish Council appoints an internal financial control Councillor. The Risk Assessment states - The appointed Internal Financial Control Councillor shall meet with the Clerk on a quarterly basis to review all financial matters. In October 2020, the Clerk drew the council's

attention to the fact that due to lockdown and various covid restrictions it had not been possible for the IFCC to meet with the Clerk on a quarterly basis to review all financial matters. In the past the Parish Council had been criticised by the Internal Auditor for these reviews not being adequately minuted, and in an attempt to pre-empt such criticism the Parish Council decided to implement Section 12.1 of its Financial Regulations -

- 12.1 The Parish Council may, by resolution of the Parish Council duly notified prior to the relevant meeting of Parish Council, suspend any part of these Financial Regulations provided that reasons for the suspension are recorded and that an assessment of the risks arising has been drawn up and presented in advance to all members of Parish Council.

And by Resolution (Minute No PC/20/10/165) approved by all Councillors, it was agreed to temporarily suspend that part, and only that part of the Financial Management Risk Assessment requiring the IFCC and the Clerk to meet – which in itself would have been a breach of the Covid Regulations! Again the Councillor who is also an Internal Auditor did not raise any concern about this course of action. As previously stated, all other elements of the Financial Regulations and the Financial Management Risk Assessment have been fully complied with.
